

10 - WHEELS AND TYRES

PIRELLI P6 185/60 HR 14 tyres on the 205 GTI

Since April 1984 part of the 205 GTI production is fitted with 185/60 HR 14 - PIRELLI P6 - tubeless tyres as an alternative to the MICHELIN MXV tyres.

Inflation pressures

These are the same for both makes :

- at the front : 2 bars (29 lbf in²)
- at the rear : 2 bars (29 lbf in²)
